Cautionary Note Regarding Forward-Looking Statements

This press release contains forward-looking statements. The forward-looking statements contained in this document are based on certain key expectations and assumptions made by Tembo and are often, but not always, identified by the use of words such as “anticipates”, “intends”, “expects”, and similar expressions. Although Tembo believes that the expectations and assumptions on which the forward-looking statements are based are reasonable, undue reliance should not be placed on the forward-looking statements because Tembo can give no assurance that they will prove to be correct. Since forward-looking statements address future events and conditions, by their very nature they involve inherent risks and uncertainties. Actual results could differ materially from those currently anticipated due to a number of factors and risks. These include, but are not limited to, the timing for filing the Required Filings and the required filings in connection with the condensed consolidated

interim financial statements for the three months ended March 31, 2019, failure to obtain financial information from its Tanzanian subsidiaries, and risks associated with the mining industry in general. Readers are cautioned that the foregoing list of factors is not exhaustive. The forward-looking statements contained in this document are made as of the date hereof and Tembo undertakes no obligation to update publicly or revise any forward-looking statements or information, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws.
